

COMPARING THE LBP Series vs THE LB Series

LBP-45S | MAX. PERFORMANCE

The **LBP-S Series** are designed to be the professional choice. Still compact compared to traditional heads, they are larger than the LB-S Series to enable a higher load capacity.

MAX. PORTABILITY | **LB-45S**

The **LB-S Series** are designed to deliver portability and performance. While 35% lighter, the LB-45S retains the features of the LBP-45S with a 10kg load capacity.
