3-IN-1 NECK / WRIST / BACKPACK STRAP FOR MAXIMUM VERSATILITY AND COMFORT

Designed for ultimate flexibility, this clever 3-in-1 all-in-one strap allows you to choose the most comfortable carry mode for your trip – neck strap, wrist strap, or backpack straps - with ease. It adapts instantly to your needs: whether it's the secure, hands-free convenience of a neck strap for on-the-go shooting, the security of a wrist strap for capturing fast-paced moments, or the handy backpack mode to attach your camera or binoculars directly to your backpack rather than wearing a separate strap on the go.
