CONNECT NEO NS

NEOPRENE NECK STRAP FOR MAXIMUM COMFORT

The **Connect Series** has a range of products that uses the Connect Clip Quick Release System to allow you to switch your camera or binocular strap for the best choice for each trip in seconds.

Attach to camera

Attach the Connect Tether to your camera

Attach to strap

Slot the bean into the Connect Clip and pull down

Release from strap

Pull the orange tab 45° and pull from the Connect Clip

Spare Connect Clips

Available separately to make any strap quick release

The **Connect NEO Neck Strap** includes a soft neoprene strap that contours to your neck to spread the weight, maximising comfort over extended use.

90KG

Up to

*Load capacity based on vertical hanging tests
