CONNECT WS

PADDED WRIST STRAP TO STAY SECURE, COMFORTABLE AND READY

The **Connect WS** is a wrist strap that can be attached to any camera, binocular or monocular in seconds, while keeping it secure on the go and ready to use in an instant. This strap has a layer of internal padding to offer maximum comfort and protect the wrist over extended use. Perfect for photographers and birdwatchers who need the fastest access on the go, with the security of a strap.

Pull the orange tab 45° and pull from the Connect Clip

Slot the bean into the Connect Clip and pull down

Adjust the length of the wrist strap to fit your wrist

Available separately to make any strap quick release

The **Connect WS** can be attached to any camera, binocular or monocular in seconds, keeping it secure on the go and ready to use in an instant. Perfect for photographers and birdwatchers who need the fastest access on the go, with the security of a strap.
